

### JOIN THE TEAM!

Telosa's Core Values are: **Open, Fair, and Inclusive.**

These are not just words; they are at the core of how we intend to build a more equitable future. Our values will shape our policies and decision making. We will lead with people and focus on a higher quality of life.

We are looking for Ambassador Volunteers to engage with both local and international communities and listen to their voices in an impactful way that advances the mission of Telosa. In the spirit of inclusivity, we want to meet our community where they are, on social media, message boards, email and in person. It is only through open conversations that we will be able to understand and address the biggest issues in today's world.

As an Ambassador Volunteer, this is an opportunity to learn, be inspired, make a difference, and help shape Telosa as you engage with experts and peers on important topics. You could be a part of building the first new city in the United States in over 100 years!
