Adaptive Capacity

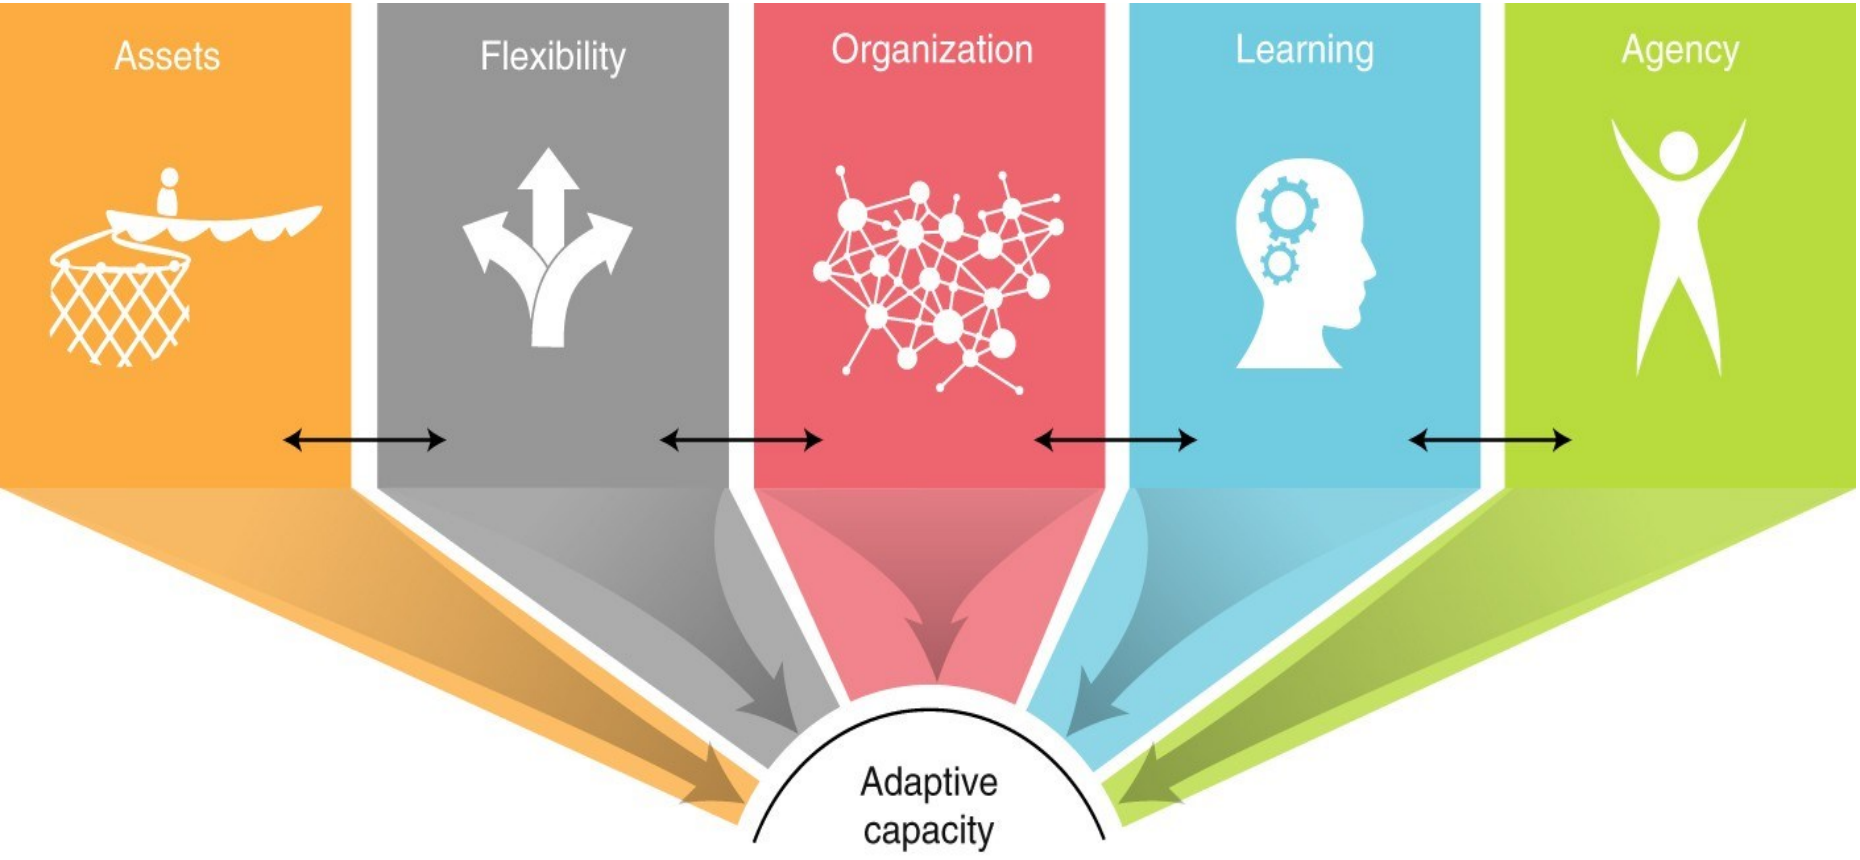

“Resilience calls on us to rethink the urban systems that supply our energy, transportation, food, water, and housing”

Kresge Foundation & Island Press

Resilience: Bounce Back or Forward?

Resilience: Bounce Forward

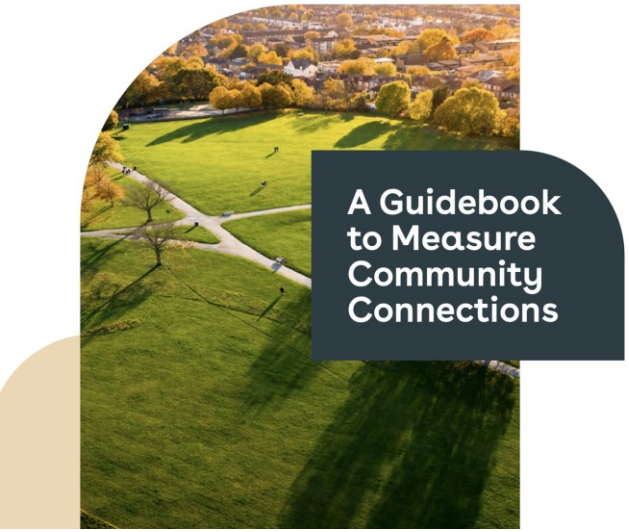

"Whether they come from governments or from civil society, the best techniques for safeguarding cities don't just mitigate disaster damage; they also strengthen the networks that promote health and prosperity during ordinary times."

Adaptation, E. Klinenberg. *The New Yorker*, January 7, 2013 issue
